

Nursery Sessions & Fees – September 2020

Sessions are as follows:

Mornings	8.30 am – 11.30 am	£15.75/session
Afternoons	12.30 pm – 3.30 pm	£15.75/session
All Day	8.30 am – 3.30 pm	£37.50 /session inc. Lunch
Lunch	11.30 am – 12.30pm	£6

Sessions are term-time only (term dates available from school office or on website www.elliotparkschool.co.uk). Where your child attends on a Monday and this coincides with a school closure e.g. bank holiday, you will be offered an alternative session which you may or may not accept. This will be a session decided by the school that does not compromise the registered number of pupils and staff to child ratios.

We operate the Early Years Free Entitlement Scheme where your child (age dependent) may be entitled to up to 15 free hours a week for a maximum of 34 weeks (+ 4 days) a year. Typically, settings offer 38 weeks a year; if your child attends our setting you will be unable to claim your 38th week at an alternative nursery provider.

It is your responsibility where your child claims at one or more settings to ensure that your child's free entitlement does not exceed the 15 hours universal hours per week at one setting, the extended hours per week can be claimed at the second setting. This will be indicated on the parental declaration form. Elliott Park Nursery does not offer the 30 hours extended entitlement.

You can use these 15 hours during any of our sessions either in the morning or afternoon. The lunch hour that your child may wish to stay from 11.30-12.30 may not be used as part of the funded hours and will be charged at £6 for the hour.

Any additional hours required will be charged at £5.25/hour.

If there is a sibling already in the school once your child progresses into Reception Class you will be offered a 5% discount on the subsequent child's annual school fees.
